Dear Hal:

I've enclosed a few items including the story we did on the transcprit and the single bullet theory. (I wasn't very pleased with the way it was written -- but it was a very long day, and that's the way it came out).

I've also enclosed another ZNS page of the same day which might interest you: it has to do with Ford's book and the movie and T.V. rights.

Also included are a copy of the New York Times story on Robert Kennedy Jr's position on reopening the investigation, plus Jeff Kaye's lenghty article on that case out of last week's L.A. Free Press.

Could you remember to send me that reprint from the Congressional Record of the January 22nd transcript?

Thanks,

Jon
